To Whom It May Concern,

I'm Gulraj Singh Shahpuri, a Leadership Development Trainer. I've trained over 55,000 people in how to manage themselves better. It gives me great pleasure to recommend Prerna Bhatia of mhe.

Excellent! Excellent! Excellent! These are the three words I use to describe Prerna and her mhe program. It's always such a pleasure hearing her speak, because when she speaks, it's like she's speaking just to me. I think each of her listeners and viewers has a customized, individualized experience, as she conveys her WOW factor!

She's a genuine soul who brings a lot of realism and practical thinking to our worlds. I really connect with her and encourage everyone to develop themselves through her. Each time I hear her, I plan to put everything I learned into practice as soon as I get back to work and life!

I give my heartfelt thanks to Prerna for her tremendous efforts for making this world such a better place through her videos and her training platform! I'd like to wish him all the success in the future.

Sincerely,

Gulraj Singh Shahpuri
